### SATURDAY, SEPT. 12, 1885.

The State census of Wisconsin, just completed, shows a papulation of 1,583,630-r gulo of 248,450 since 1980. The number of Union soldiers surviving is 20,784.

· It is stated that Mesars. Morrison, Mills, the depressing effects of another tariff

According to Washington despatches Secretary Manufag has been obliged to of the public indistredness to that state for work far into the night since his return in order to answer questions submitted by the Jefferson Davis. new heads of departments. This is one of the results of having hexperlenced subor-

Schulor Gorman, of Maryland, bossts that fie will whip the disaffected Democrata into the truces before November, but the signs of discard multiply and it now looks as though it would require a most vigorous snapping of the whip to make the team pull to-gether

This is indeed no era of Democratic reis one man who has been indicted for stab-

for Governor of Virginia, "Is around the enco of New England office-seekers. State making apreches and showing his shot-gan experimes for the annaement of the negroes " fr this, as in many other respects, Mr. Wise Hustrates the difference between the Republican and Bourbon idea | Sweet has specches are of secondary consideration,

In a double leaded editorial the New wumpism with malaria." ,The President' attempt to ildo two horses at the same time is proving a dismal failure.

The new collector of customs at Philaviolation of the civil service has

The New York Evening Post says there is no patitional significance in the change of pension agents in Chicago, as the move of the war, and no cordinity of good feel-near in favor of the recent appointees ing in a required country should prevent a consideration of the fact. What is to be should be issued by the CONS MUTUAL. flered her resignation the Post complacently remarks, "If she has resigned there can be no objections now on civil service refor a groupals." The Post is admirably this Administration, as consistency and anesty form no part of its creed.

By the substitution of a wrong head-line in our telegraphic columns, Friday, we did the people of Michigan an unintentionat injustice, although the error was very apparent. The Republican State Executive Committee of Mississippi, instead of Michigan, recognizing the impossibility of secomplishing anything against the Democratic methods of conducting elections in that State, have decided not to bominate a thiket. Some brilllant Mugwamp editor. in the North, who of course knows all about it, will now insist that the Republifrage is one of the fundamental principles of Mississippi politics.

Our amiable contemporary whose medesty did not prevent it from republishing THE WHIG'S courteous reference to the fair, is very much shocked, as a "matter of basto," that we should republish from the Hennebec Journal a courteous reference to the proprietor of THE WING! Our pecu-Harly amiable contemporary ought to be able to flud in the article which has aroused its ire ample assurance that an intelligent and discriminating public is enof taste" luvolved in the contrast between our course and its own-which hardly

Why Some of our Democratic exchanges say during the last few days will probably be that Mr. Wise, the Republican candidate rapidly fo lowed by others under the influence of the even in the positive or the reformers what they probably be that Mr. Wise, the Republican candidate rapidly fo lowed by others under the influence of the even in the probably be posserted to about it? and at noice, just the rapidly for lowed by others under the influence of the even in the probably be posserted to the posser

Commissioner Black has succeeded at last in his raid upon the Chicago Pension Office, says the Boston Vounat. Miss "resigned" and the widow of of conducting a campaign. With the latter Colonel Muiligan has been appointed her "The change," says the Washsuccessor. the shot-gans being used in the place of ington correspondent of the Herald, "is arguments and the negroes furnish the purely a political que." But if this is true, arguments and the negroes turnish the editoral columns of the Herdid must targets, as weethelesse at Danville, for be wrong for according to the latter, political change are not unde by this reform and business-like Administration. York World republishes for the benefit of And what does the same correspondent York World republishes for the section of President Cleveland an extract from one of Jefferson's letters in roply to an objection rulsed against one of his appointments. The World suggests that this is a will be given some good place?" The Hereld should seek to establish a closer connection between its editorial and news

The Providence Journal seems to have

undergone a change of beart. Of late it

has had frequent squbs referring in a dippart manner to Senstor Sherman's speech, and has been complimented by the Boston Herald for its "Mugwumphin tenddelphia is charged by the Press with open Boston Herald for its "Magwampian tend-violation of the civil service law. The encies," but on Thursday is published the Press says that he calls compleyes into his following sensible paragraph: "What Senator Sherman says in regard to the virtual distranchisement of negro majorities in certain localities of the South is perfectly true. The methods are not now those of terrorism, because terrorism is thed service, and whose places, if made unnecessary, and possibly not of fraud, weant, must be filled by competition, by because traud has so done its work that they do not think they ought to vote the the matter is given up as hopeless, and the Democrate tiekel because there is a Demouseless and idle visit to the guils. This is other is astration of the humbug in all the u grave cell, it is more than that, it is a stional peril. At any time a compileation might occur in which the falsely representd sectlors could disturb the free expression and overthrow the will of the people of the When Commissioner Black done about it is a different matter. Senator tiest began his cald upon Miss. Sweet the Sherman admits that there are difficulties Post denounced it as an outrage, but after in the way. There certainly are, so far as all has been harrassed until she has ten- any immediate action is concerned, it gr would be life to hope that a Demogratic of Representatives would take any action to prevent the false representation upon adupted to its chosen work of defending which their power depends. Senator Sherman hopes, if he does not believe, that a wher consideration and a better cose of justice among the fair-minded people of the South will eventually make some amendment; So do we. But mean-while, as Senator Sherman says, it is a matter not to be lost sight of, or lightly regarded by the Republican party, or by any good citizen. This is a living and vitai lasue, as therebellion is not, although

### The Swindlink of Voters.

[Reston Journal.] In the course of his recent speech Judge cans of Mississippi are not familiar with Poraker called attention to the fact that in the real condition of affairs in that State. Chathan County Georgia, which includes and will endeavor to prove that free aufthe city of Savannah, there is but one voting place for five thousand voters—the Rulers free. School Paper, result of which was that few of the colored 5 cents per Ouire or 20 cents voters who constitute the majority, were per Pound. Books Straps, able to deposit their votes. The editor of 5 cents each. Writing Books, the Savannah Acces, as the agent of the D the Sassanith Area, as the agent of the Practice Books, and everypost borne by that smilable contemporary's Associated Press telegraphed a correction | Practice Books, and every-proprietor in connection with the recent of the schement, in which it was stated thing for use in the School that the number of voting places was it dued by a Republican official prior to BOOKS, which we shall not 1872, and that they have not since book ro- handle in future. stored because the Republicans have not desired t.

Now an ex-Confederate writes the facts about the matter. The Democrats persunded the Judge of Probate, whom the they competent to deal with the unutter Republicans elected but who never acted with them, to reduce the eight voting places to one, which he did. In 1973 a the local officerd in that county afone, evening. Democratic Legislature rook away from The announcement of the death of Hon.

Heward B. Hume, of Enstport, will be read with sorrow in all parts of our State, where is shed of a bollsbed without the recomhe has been well known for years as one mendation of the two Grand Juries. Roof the most esteemed and influential elti- publicans appeared before these tribunals, zens of Washington County. During his but no heed was paid to their requiest for service in the State Legislature he won the respect of all with whom he became associated by his sturdy integrity, good judgnicat and kindly disposition. During the taxes and every other year to register, and

months with his daughter, but on return-log to Eastport his strength continued to The News admits that; there are 6,000 Il, and all the devoted ministrations of qualified voters in the county who; must his family were unavailing to avert the vote in a single day at this one voting farst result. Mr. Humn will be greatly place. The ex-Confederate shows that the missed in the business circles of his seconsus of 1880 showed 11,000 voters or tion, and in his death has fallen a con-scientious, and earnest supporter of the whom are colored Republicans. Very few. great principles of the Republican party. of these are able to vote, for the good reaor these are sale to your, for the good reason that preference is given by the Democratic election officers to Democratic election offic We extend our most sincers conditionce to son that preference is given by the Demothe family upon whom this great becave-ment has fallen.

that this one voting pince for 11,000 voters in Chatham County, Georgia, la for the

### Are Principles Eternal?

The Boston Adrartiser, with the some it cration and heartless indiffurence, asks Senstors Honr and Sherman and other Republicans who agree with them-"Suppose votes to elect seven Congressmen; and in Mullen did imprison legal voters to carry Maine in 1884 there were 140,886 votes cust an election, suppose he was pardoned by to cleet four Congressmen. In other the President, and suppose there is an election. words, it required only an average of free ballot and a fair count in the South, 11,360 votes in ISS2 and of 17,220 votes what are you going to do about it?' Now Mississippi but it required 37,195 votes to othe political question. We suppose even elect a Representative in Kansas; 37,160 in the sidertiser will ident that there be some has been and 35,221 in Maine. So that has a for the complaint. We can take its according to the lightes given by the Dem- own files for two years past and quote tesoccatic leaders of Mississippi, that Sinte timony enough to prove that honest eles tions in the South are the exception, and then. Perlians some people will regard fruid and violence. We do not under-this remarkably lisproportionate influence stand that the difference cisions that the granted to Maskalphi in the legislation of evil has been cured, though it may possithe country, as only a proper recognition bly insta that it has been somewhat miti-The ovll existing, then, what is the duty

of the Republican party? It was founded, as a political organization, on the principle The lows Republicans will open their of equal rights to all citizens. If any spenking compaign on the 23d inst. Sens-tor Allison will be on the stump continu-party bound, as much as over, to stand by its principle? The Advertiser asks what is the use of standing by, when the prevenmust come from New England. The only all effort but concede unopposed President considers that the responsibility supremucy to our apponents, and actually ludges their offences, which we have been steps to make his course clearer. First Civif-service reform is confessedly miking against the polar fide?

Now we can at least tell the Adrertiser what the Republicans are not going to do about it. They are not going to turn doughtness, and condone what they have always condemned They do not propose to tuen tail on the fundamental principles which gave them political existence and success. They do not propose to become apostates, simply because it has come to be a fushion anthre contain classes to succe nt everything which was once considered sageri, and flippontly characterize fidelity as "fossills:n" and "pre-Adamism". This sort of craze may have its run, but it is stigmatized as dead issues, and that depreeatler, of their violation should be deugunced as unpatriotic. Principles and eternal. If it was coedliable twenty years ago to be a Republican, bremse of the principles of the party, it is creditable now -since the principles are the same H ! was discreditable twenty years ago to be a Democrat, decause Democracy represented opposition to equal rights, it is discreditable now, since Democracy has not changed, and because it has acquired power only by a violation of the principles which it used to be condemned for opposi-

THE AMERICA'S The Puritan and Genesta Make Another Ineffectual

tempt. Delay in Starting and Light Wine the Obstacles. The Puritan Shows the Best Work

Another Trial to be Made To-Day

FROM PANNOTON

FROM TABLE 11 The Fall Result

From the State and the Sta Jonah here on the Genesta, naked Mr Lima, of the Regatta Committee, of Sir

points
Ith Genosta's now bowepit was add
inted by yichtsmen, while the Puritan's
mainsalt, which had been eleverly patched,
showed no difference in its setting. By
10 30 the steamers Grand Regubile Columbla, Cyins, Panuls Sirius, Empire State,
Cannonius, Elin: thy and H. J. Buyn, and
steam yachts Atlanta, Flettri, Wanda,
Inxedi and over a score of sailing wachts
including, Ren Batter's Tweeries, were as
scubbed near the start. The wind was
slowling a fresh breeze from the esst and
the tide was about one quarter abb when
the preparation algorithm as given at 11-30. He
judges bott lay with her head toward the
north one-eighth of a mile from the Scot
had lightship, and the course was east by
north twenty miles to leward, or wind
wird as of return. The Puritan ix hove to
when the signal was given, while the Genstart it was the line condition in the course. then the signal was given, while the Gen istal iv near the line ready to all plover in

moment
By excellent-management Cipt Crock
r sent the Puritan across the line that in recut the Purlim across the line the nisonu shape, 41 seconds after sly seconds later and to be ward about 200 vaids. The sea was quite heavy showing a rigides and the white sloop. Her flist tack wis made at 1241; which she was apprently half a mile thead of the Purit in and heiding northeast by east for Rick wis Beich. Shouth crossed the shouthere lengths at his reductly put about a gala vi 12 44

The Puritan kept on the starboard fack
the I to, when she came about, with the

Genestic then under her lecfilling light soon after she began to sta dily face use her lead on the Genesia and when, at 1/18, she set her spilt tops ill and the Genesta set her club topsail, the Boston bot had a good lead. After a long stretch to starbound the Parlian tacked again at 3 10 the Genesta following sulfative uliquities like. Both oar led the same silf—the Genesta took in her balloon forest excit and set a smaller one. While on this tack the Parlian made is short stretch on the port tack at 4 10 going ab at 13 du at 4 20.

At this time the stake both was these. and the Genestr set her club tansail

oils to which and just elsting but the will bely light and the swell sill quite heavy their was but little chance for the chief thish. The General of the big this to pain at 450 and went about to port the Pantin had ben slowly, surely, cath g ther way to who dwar for satisgor let and was now a good at ad of her. At 5 14 both went al

The conscitted, thidjpy that it was impos ship to sail the race it seven hours, took the Genester he tow, while the tag senall navian was saint to bring the Puritan into the Horseshipe. The yights are to be started at 10 30 to-morrow/morning. The will continue light to-morrow

THE KINNAPPLO ERAINERD As Interview with His Solicitor
WINNIPLO Supt 12. A reporter called to-day upon Mr. Perdae wolk fitor for Bruinerd, the St. Albuns defaulter, who states that after Bruinerd had been kid impred he (Perdae) immediately telegraphed a kg d firm in St. Paul and one in Oblengo to witch for him and have him taken in charge. He directed a writ of hiseastorpus calling on the detectives to show by what authority they declared Brainerd. There was no legal process of any kind. The directions to the firm at St. Paul were of a rather general character, urging Bruinerd to be gotten across the Bro Into Canada again in the easiest way and at the earliest moment. An Interview with His Solicitor

line lote Canada again in the easiest way and at the earliest moment.

The firm was instructed to watch the trains both at St. Paul and Atlaneapolis. Perdug received information from St. Paul of Bushurd's escape in the manner indicated by telegraph. The programmen was left entirely to the law firm, the name of which Perdue does jut disclose, and beyond the fact that Brainerd was gotten antely away he does not know his whereabouts or the recognishment to be adopted in a thing blin.

A Dissatrous Runsway-Two Women Injured, Perhaps Faishly
